

PAMPER PARTY (CLIENT APPRECIATION)

Indulge your clients with a day of pampering. Offer your guests their choice of mini services while they sip champagne, enjoy appetizers, and bliss out. There are a couple of ways you can approach this event. You can hire a mobile spa company to bring the party and services to you or host the event at a spa. When your guests RSVP, ask them to pick 2-3 services. These may include manicures, pedicures, chair massages, reflexology, and mini facials. If you're hosting the party at home, spend some time creating a tranquil, spa-like environment. Decorate with cool, calming colors with accents of nature. Purchase flats of wheatgrass, calla lilies and candles for your centerpieces. Tell your guests to dress for comfort by wearing cozy pants, robes, slippers, and socks. When your guests arrive, greet them with a warm towel soaked in water with drops of eucalyptus or lavender essential oils. And then send your guests home with a goodie bag filled with items like a scented candle, homemade scrub, bath salts, hair ties, travel-size beauty products, and a lucky mini-bamboo plant to remind them how lucky they are to have you as their agent.

Icebreaker

Here's an icebreaker to kick off your party. Before the mini services begin, ask guests to step outside. Form a circle and ask everyone to introduce themselves. Then, give each person a paper lantern, have them light it and make a wish. Let the lanterns go and watch them float away. A peaceful moment to get everyone in the proper mindset for the rest of the event.

Music

Playing music in the background adds ambiance to any event. Consider tuning into a Pandora station with spa and nature music. Be sure to keep the volume at a reasonable level to create a relaxing mood.
